"As alumni, Convention has become the opportunity to see friends, go on fun adventures, catch up with people, and to remind me of why I fell in love with the fraternity at first. It's something about the excitement and the energy mixed with the opportunities of the weekend that make the experiences even better."

- Marie Stacey, *Stetson University '12*

Register early at PBLI for \$324.
Registration increases to \$499-\$629 after PBLI.
